Changing & Showering Policy Statement

Murton Cricket Club (The Club) is committed to ensuring all Children (i.e. all persons under the age of 18) participating in cricket have a safe and positive experience.

The following policy has been developed in line with the 'Safe Hands policy & procedures' published by the ECB:

- Adults must not change, or shower, at the same time using the same facility as children *
- Adults should try to change at separate times to children during matches, for example when children are padding up
- If adults and children need to share a changing facility, the club must have consent from parents that their child(ren) can share a changing room with adults in the club
- If children play for adult teams, they and their parents, must be informed of the club's policy on changing arrangements
- Mixed gender teams must have access to separate male and female changing rooms
- Mobile phones must not be used in changing rooms
- If children are uncomfortable changing or showering at the club, no pressure should be placed on them to do so. Instead suggest they change and shower at home.

*Children refers to anyone under 18 years old
