

Registering on Easyfunding

The screenshot shows the homepage of www.easyfundraising.org.uk/. The browser address bar is highlighted with a red box. A red arrow points from the address bar to a yellow callout box. Another red arrow points from the 'Create an account' button in the top right corner to the same yellow callout box. The callout box contains the text: 'Log onto www.easyfunding.org.uk and then click on **Create an Account**'. The website header includes the 'easyfundraising.org.uk' logo, a navigation menu with 'Home', 'How it works', 'Support a good cause', 'Register your good cause', and 'Raise with business purchases', and a 'Feedback' button. A large green button labeled 'Create an account' is in the top right. Below the navigation menu is a banner image of people, with a text overlay: 'Raise valuable funds for good causes when you shop online'. Below this are two buttons: 'Support a good cause' and 'Register your good cause'. At the bottom of the banner, it says 'Shop with your favourite retailers'. In the top right corner, there is a total donation amount: '£12,737,317.69 donated to good causes in the UK'.

The screenshot shows the 'Create an account' registration form. The title is 'Create an account' and the instruction is 'Please select an option below:'. There are two main options, each in a large arrow-shaped button. The top option is green and says 'I want to support a good cause' with the subtext 'Everytime you buy something online with our partner retailers, they'll give a donation to your chosen cause. It's that simple!'. A red arrow points from a yellow callout box to this green button. The bottom option is blue and says 'I want to register my business' with the subtext 'e.g. for a UK charity or more!'. The yellow callout box contains the text: 'Click on **I want to support a good cause**'.
